

ACA-Track™

Collect. Monitor. Report.

Developed and
powered by

Let's Partner for Your Clients' **ACA Compliance Solution**

As an ACA-Track™ partner, you can ensure your clients' ability to collect and monitor actual hours worked by all employee types, and report accordingly to the IRS for ACA compliance – seamlessly and electronically.

ACA-Track Partner Program

For your clients:

For your firm:

- Comprehensive 1094/1095 IRS reporting
- Seamless integration with payroll, benefit, financial and HR management systems
- Support for installation, implementation and training
- Technical support
- The ability to maintain your exclusive client relationships
- The development of new revenue streams for your business
- A powerful new product added to your portfolio of business solutions

Private label ACA-Track

Feature ACA-Track within your portfolio of business solutions:

- Utilize a direct link to your online ACA-Track marketing page customized with your logo and contact information
- Download and customize ACA-Track marketing and reference materials from the Partner Library
- Individual company database links open directly from your application

Partner Compensation & Flexible Pricing

- Partner compensation based on cumulative Per Employee Per Year annual subscription
- Scaled and tiered client pricing for subscription and installation fees based on employee counts

Other Options

- Optional direct access data loader module moves directly from the client's database to ACA-Track
- Comprehensive 1094/1095 IRS reporting with 1095 IRS only option with employee notification and document fulfillment option(s)
- Implementation, support and ongoing application maintenance with annual subscription
- Training webinars provided as needed
- Onsite training available
- FMS/HRIS specific electronic, integrated client data loader

Schedule an **ACA-Track Demonstration**

No cost, no obligation
